For individuals who are eligible for enrollment in a group health plan: If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if, in the case of group health plan coverage, the employer stops contributing toward you or your dependents' other coverage.) However, you must request enrollment within 31 Days after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage). In addition, if you gain a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, you must request enrollment within 31 days after the marriage, or within 60 days of birth, adoption, or placement for adoption, or date of assumption of total or partial legal obligation for support of a child in anticipation of adoption.
